**WebAssign:** Graded homework is assigned via WebAssign: <a href="https://www.webassign.net">https://www.webassign.net</a>

You will need our class key **ncsu 5242 8859**, to self-enroll. Any webassign enrollment questions should be answered in this FAQ: <a href="https://docs.google.com/document/d/1J0bSkhmH-odVskB1XbkhudT7SjK0C0O5kDMcJJzWEbg/edit?usp=sharing">https://docs.google.com/document/d/1J0bSkhmH-odVskB1XbkhudT7SjK0C0O5kDMcJJzWEbg/edit?usp=sharing</a>

**Tests:** There are 4 scheduled tests during the semester. Calculators of any kind are not permitted on tests or the final exam. \*\*Each student is required to turn in 5 blue "Examination" booklets prior to the first test (students taking their tests with the DRO don't need to do this). Students who fail to do so will lose 5 points on Test 1. After Test 1, students who have not brought blue books will continue to lose 5 points on each test/exam until they bring them in. **Do not write anything on the books**. Blue books can be purchased at the bookstore.\*\*

Test 1: Sept 14	
Test 2: Oct 3	
Test 3: Nov 2	
Test 4: Nov 20	

**Please note**: After the tests are returned, you have 3 days to look them over and compare them to the solutions online. If you believe there is an error in the grading of your test, you need to notify me within these 3 days. Grade changes will not occur outside of this timeframe.

**Final:** The final will be given on Monday December 11 from 8:30-11am, Lampe 216

Make-Up Test Policy: All anticipated absences must be excused in advance of the test date and a make-up test scheduled if possible in advance of the absence. These include University duties or trips (certified by an appropriate faculty or staff member), required court attendance (certified by the Clerk of Court), or religious observances (certified by the Department of Student Development: 515-2441). Emergency absences must be reported within one week of returning to class and must be appropriately documented (illness by an attending physician or family emergencies by Student Development). No other make-ups will be given. It is not wise to miss a test.

**Attendance:** Attendance will be recorded daily in both class and recitation. You are expected to arrive on time to class. Any student who is not an active class participant the full class period (e.g., doing other work in class, socializing,

sleeping, text messaging, leaving early) is recorded as absent. If you miss no more than 4 days AND attend every test, I will replace your lowest test grade with your final exam grade (assuming it is higher).

If you miss class or are late, you are still responsible for all material covered and assignments due.

Additional online lectures are also available for free. You can find them in webassign under resources.

**Academic Integrity:** I assume that anything turned in with your name on it is your own work. Each time you submit a test, WebAssign, or quiz, you affirm the honor pledge, "I have neither received unauthorized aid nor given aid on this assignment." The minimum penalty for cheating is a grade of zero on the assignment; violators will be reported to the Academic Integrity Review Board, which can impose additional sanctions. The code of student conduct can be found at <a href="https://studentconduct.dasa.ncsu.edu/code/">https://studentconduct.dasa.ncsu.edu/code/</a>
